On Coronado Island

Location Overview

We are very lucky to have access to Coronado's North, Central, and South Beaches to perform

intimate weddings, free of beach use permits! Our meeting spots are a 15 minute drive from the San Diego Gaslamp quarter. This is a public beach, so keep in mind there are no truly private locations, but there is no shortage of beautiful spots for ceremonies and photos. If you're local and want to pick out your location, that's great, we'll perform wherever it's allowed! Most of our clients come from out of town though, and following are our favorite meeting spots. You'll get to pick the exact ceremony location when we're on site, depending how close you want to be to the water, dunes, etc.

Ocean Blvd. and G Ave.

This is our favorite meeting spot. Parking is easier, and there are fewer beach goers and tourists. If you and your guests will be driving in, this is the most convenient spot. There are aisles in the dunes for walking to the ceremony, and Point Loma in the background makes for beautiful photos. The only negative is that there is a beach maintenance building right near the street, but it doesn't impede the beauty of the ceremony, and it isn't hard to avoid in photos. If you hire our

photographers it isn't an issue, most of our website and marketing photos are based from this spot, and about 75% of Instant Beach Wedding clients choose this location.

Hotel Del Coronado

The specific meeting spot is at the intersection of RH Dana Pl. and Ocean Blvd, there is a bench on the corner which makes it a perfect meeting point. The historic Hotel Del, as it's called here, offers a beautiful backdrop for photos. There are aisles in the dunes for the ceremony walk, and endless ocean views. This is an ideal location if you will be staying in downtown Coronado, as it's walking distance to most restaurants and hotels. The down side here is parking number one, it can be very hard to come by on weekends, not particularly easy during weekdays either. There are many more tourists and beach goers at this location, even on weekdays, this is no doubt a tourist hot spot. We are also not allowed to perform ceremonies on the beach directly in front of the Hotel Del, but that's not a problem in itself, there's plenty of space adjacent. It's a beautiful location, if you're walking it's an obvious choice, but most clients have chosen the other spot, mainly based on convenience.

Thank you!

We look forward to delivering a beautiful experience, thank you for choosing Instant Beach Wedding!
